**Re: Philip D. Morgan v. S. C. Dept. of Revenue, et al.
2013-001096**

Dear Ms. Kitchings:

Jimmy Long and I represent Trustwave Holdings, Inc., in the above appeal. The State Co-Defendants recently requested an extension to file and serve their Response Brief until September 25, 2013. We too need additional time to prepare our Response Brief, and by this letter, we request an extension until September 25, 2013, as well. This is our first extension request, and I have enclosed a \$25.00 filing fee. Co-Counsel have all consented to the request and are copied on this correspondence.

Very truly yours,

Jennifer J. Hollingsworth
