

The Supreme Court of South Carolina

Willie Gordon, Petitioner,

v.

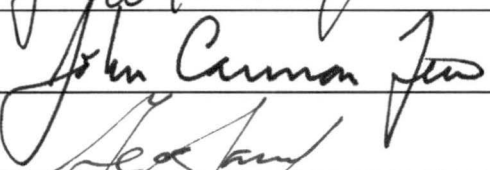

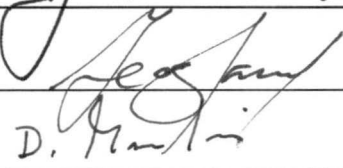

State of South Carolina, Respondent.

Appellate Case No. 2024-000590

ORDER

Petitioner filed a notice of appeal from the denial of his application for post-conviction relief (PCR). In the explanation required by 243(c), SCACR, Petitioner has failed to show there is an arguable basis for asserting that the dismissal of his PCR application was improper. Therefore, we dismiss the notice of appeal sent by Petitioner. The remittitur will be sent as provided by Rule 221(b), SCACR.

Additionally, we prohibit Petitioner from filing any further collateral actions in the circuit court, including PCR actions, habeas corpus actions, as well as any motions relating to the previously filed collateral actions, challenging his conviction and sentence on Indictment No. 2000-GS-46-03180 or any motions in the underlying criminal case, including a motion pursuant to Rule 29, SCRCrimP, without first obtaining permission to do so from this Court.
