

The South Carolina Court of Appeals

Capitalbank, Respondent,

v.

Garnet J. Borrer, Appellant.

Appellate Case No. 2011-205107

ORDER

Appellant has filed a first motion for an extension of time to serve and file Appellant's Initial Brief and Designation of Matter. In response, Respondent filed a motion to dismiss and to oppose the extension of time request.

After careful consideration, Appellant's motion for an extension is granted and Respondent's motion to dismiss is denied. However, Appellant shall serve and file Appellant's Initial Brief and Designation of Matter within twenty days. Failure of Appellant to serve and file the brief and designation within twenty days will result in the dismissal of this appeal. No extensions will be granted absent a showing of extraordinary circumstances.
