

The Supreme Court of South Carolina

Terrell McCoy, Appellant

v.

The State of South Carolina, Respondent.

Appellate Case No. 2024-000601

Rule 240, SCACR

Motion for Extension to file Petition & Motion

For the Appendix of Case # 2023-001680 to
be transferred to Appellant Case No. 2024-00601

Appellant request for an extension of time to file the petition of writ of Certiorari, where the Appendix for this Case was submitted under Appellate Case # 2023-001680 by mistake of the clerk. Both cases are related in claims, except for 2023-001680 was filed under SCACR 245. The above case is on appeal, and Appellant has proceeded in forma pauperis in this Criminal Case in the lower court in case # 2013-cp-10-1994, and has recently filed a SCRPC Rule 60(B) motion and Rule 59(e) SCRPC to Reconsider the denial of SCRPC 60(B) and cannot afford the cost of the Appendix. The Appendix is necessary to perfect the above appeal. For these reason

Appellant request an extension to fully prepare his petition, if the court will not release the appendix, Appellant request that appendix for Case # 2023-001680 is forwarded to this appellate case, where the cases ~~are~~ related as far as the transcripts, Affidavits, public records, and other material evidence that was submitted prematurely. Appellant request this motion is granted. 6-11-24
