Re: The State v. Steven Frantz
Appellate Case No. 2023-000790

Dear Mr. Frantz:

Upon reviewing your attempted deficiency correction, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this matter will be dismissed:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Specifically, your provided proof of service states it is for the notice of appeal, however, the proof of service should be for the initial brief of appellant and designation of matter
- You included the designated items from the designation of matter. The Court does not need the items at this time as they will be included in your record on appeal. The documents are being returned to you.

Very truly yours,

CLERK
