

ATTN: Notice of appeal to the Administrative law courts
Docket Number: 24-ALS-04-0417-AP
Grievance Number: TRCI 0230-23
Presiding Judge: Deborah Brooks Darden

Clerk of Court

SC Supreme Court

Greetings and God bless; The purpose of filing the above suit was just to cover the basis of my pursuit. (Exhaust administrative Remedies) Moving Forward It is my focus to reach beyond administrative measures to combat the law of Inequality Itself. The Truth In Sentencing act has did nothing but breath inequality and discrimination into the Criminal Justice system itself For it clearly Violates the Constitutional guarantee of equal Rights and equal opportunity. It is a discriminatory act that tips the scale of Favor in one direction (NonViolent offenders - Giving the Earned credits, Good time, Incentives, opportunities and hope) while bury another group of offenders (labeled by, Every; All acts that are committed to violate law are violent in some degree or another - Thus to redefine offenders into segregated groups is just another form of Racism, yet without color; with Name. Criminal acts violate law and order with persons, properties, and policies - Violent in their commencement. No label should be allowed to stand that literally pushes men and women to the back of the bus - otherwise a King died in vain and a dream is dead today. I challenge The Supreme courts to reconsider this act based upon its violation toward the 8th and 14th amendments. Justice John Seifford stated long usage is cruel and unusual in sentencing in relation to traditional or prior practice - (The difference of 34% in total toward reduction in sentences is the difference in ^{DM} ~~6-20~~ Non violent and violent offenders on top of much lengthier guidelines ^{long usage} prior to T.I.S.. Please allow my voice to be heard, and assist me in this matter toward my next step. I am challenging the violent offender Truth In Sentencing act itself in that it obliterates common decency and Constitutional (law) - 8th & 14th amendments.

Please assist me in obtaining the proper documents and channels toward my goal of establishing Justice For all. Keeping The vision of equality alive. Thank you for your Time and God bless.
