SC Court of Appeals

Dear Ms. Jenny A. Kitchings

My Name Is Bobby Ray Robbins And I write This Additional letter To Add To My Direct Appeal And Bring About Mitigating Evidence For A Milder And Reduced Sentence, I Introduce To The Court Of Appeals That My Sentencing Judge, Judged Me Based On Possibilities Of What Could Have Happened, Although My Victim Was Injured With Minor Injuries. However The Injuries Dont meet The Statue Of Assault and Battery High Aggravated Nature, Assault and Battery First. Of Assault and Battery Second Under Lexington, Saluda and McCormick & Edgefield County Guidelines. The victim was only Treated Once: By Lexington Medical Center And Was Cleared Because There was No Life Threatening Injuries Present, The Victim Sustained Scratches Caused By Gunfire "Quote" But When Examined By Medical Professionals Of The County There in, It Was Indetermined By The Medical Professional That The Scratches Came From Scrap metal of Shattered Glass, No Signs Of Trauma or Gunshot Wounds were Present And I write This Not To Escape Liability But To Enter A Reduced Sentenced Based On Facts Given By Investigators and Medical Professionals. My Honorable Judge Debra R. McCasin Did Not Consider These Facts Of The Fact That I Dont Have A Criminal Background And That This Is My First Offense, Yet She Gave Me A Strike Upon My Record And A Non Suspended Sentence Of Fifteen years 85%
