Khee'Asia,

I just had a quick question about the Conflict Letter - it states that this is the first time the case has appeared on the preliminary list, but that's not true since we were already set for arguments on June 4, 2024. Is that just part of the form letter?

Also, as far as "conflicts" go, if opposing counsel lists conflicts from lower courts, will those still be considered? Just curious and I wanted to be able to pass along good information to my clients.

Thanks,
