Counsel for Petitioner

Comes now Petitioner and would respectfully show the Court as follows:

1. This action seeks certiorari from a denial of post-conviction relief.
2. Pursuant to a first extension of time, Petitioner requested and received a thirty-day extension for the Petition and Appendix, which are currently due on July 8, 2024.
3. Undersigned counsel requests a 10-day extension, to and including until July 18, 2024, in which to file the Petition and Appendix.
4. The reason for this requested extension is undersigned counsel's heavy case-load. Undersigned counsel was solo defense counsel in an out-of-state jury trial. It began on June 4, 2024, and ended on June 18, 2024. Since returning to the office, undersigned counsel has filed two appellate briefs, one trial court brief, and attended in-person hearings. Undersigned counsel is scheduled to file another appellate brief next week.
5. The State advises that it does not object to the requested extension.

Dated this 28th day of June, 2024.

Respectfully submitted,

s/Howard W. Anderson III
