v.

Carol Ann Honeycutt,

Appellant.

**APPELLANT’S MOTION FOR ENLARGEMENT OF TIME TO FILE
A MOTION FOR REINSTATEMENT**

Pursuant to Rule 240(a), SCACR, Carol Ann Honeycutt (hereinafter “Appellant”) respectfully requests an enlargement of time within which to file a complete Motion to Reinstate. Included with this Motion for an Enlargement of Time is Proof of Service and the \$50.00 filing fee. The Appellant is requesting an extension of time through July 31, 2024, in order to obtain the Complete Transcript of the Hearing of April 24, 2023, which is required for the completion of the Initial Brief and Designation of Matter.

Pursuant to SCAC Rule 260, Dismissal and Reinstatement, “a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of filing the order of dismissal (the day of filing being excluded).” The Order to Dismiss was filed June 17, 2024, by Clerk of Court Kitchings.

This requirement was met by Clerk Kitchings' letter of June 21, 2024, which stated: “Upon reviewing your Notice of Error, which the Court is construing as a motion to reinstate” Furthermore, this requirement is met today, June 28, 2024, by Appellant by filing the Proof of Service on this, and by filing the Appellant’s Motion for Enlargement of Time to File a Motion for Reinstatement. The Appellant wishes to submit a complete Motion to Reinstate with all the requirements for the motion including the arguments, citing of authorities, and supporting documents which requires the enlargement of time to prepare. The Appellant sees her letter of June 18, 2024, as a Notice of Motion for Reinstatement and has submitted a proof of service as required by Clerk Kitchings in her letter of June 21, 2024: “A proof of service has not

been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.”

CORRECTIONS FOR THE ACMS OF THIS CASE

Clerk Kitching failed to enter this deficiency letter of June 21, 2024, on the ACMS. Line June 21, 2024, is labeled “Deficiency Letter” but, the entry is Appellant's Notice of Error which was entered twice, on both the June 21, 2024, line, and on the June 18, 2024, line which Clerk Kitchings labeled as “Appellant's Motion to Reinstate.”

Therefore, Appellant has attached a copy of the “Deficiency Letter” to this motion.

Appellant has enclosed with this motion, Appellant's Motion for Enlargement of Time to file a Motion for Reinstatement, the proof of service, and the fifty (\$50.00) filing fee.

THE MOTION FOR REINSTATEMENT

The sequence of this case has become complicated as it appears that the Clerk of Court's Office has produced instructions and orders that are contrary to, or at least, out of sequence, to the Rules of the South Carolina Appellate Court. Therefore, the Appellant asks for an enlargement of time to present a formal and complete motion to reinstate. This motion will address the Rules and will provide documents which will prove that the dismissal of the case was improper.

Furthermore, the Appellant requires additional time to obtain the Complete Transcript of the Hearing of April 24, 2023, before Judge Debra R. McCaslin, whose orders are appealed in this case. The **Appellant's Motion for Enlargement of Time to File Initial Brief and Designation of Matter Pending Receipt of a Complete Transcript of the Hearing of April 24, 2023**, found on line June 24, 2024, of the ACMS, provides extensive detail through the Exhibits that this transcript has not been completed. In fact, it appears that the Clerk of Court's office declined to order the Complete Transcript, in spite of six letters to the Clerk's office requesting this order for completion upon the court reporter.

THE ORDER OF DISMISSAL

Appellant wishes to respond to the Order of Dismissal filed by Clerk of Court, Ms. Jenny Abbott Kitchings on June 17, 2024. Appellant believes that this Order violates the

following South Carolina Appellate Court Rules: **Rule 208(a)(1), Rule 207, Rule 208(a)(1), Rule 240(e)(f), Rule 260(a), Rule 262(a)(3), Rule 506, and the instructions of Deputy Clerk Catherine Harrison's letter of May 14, 2024.** Therefore, Appellant respectfully requests an enlargement of time to July 31, 2024, to file the Motion to Reinstate.

WHEREFORE, having fully set before this honorable Court the grounds for this motion, the

Appellant moves for an Order granting an enlargement of time through July 31, 2024, for filing

Appellant's Motion to Reinstate.

Respectfully submitted,

Carol Ann Honeycutt
