

# The South Carolina Court of Appeals

Mark Bolte, #304800, Appellant,

v.

South Carolina Department of Corrections, Respondent.

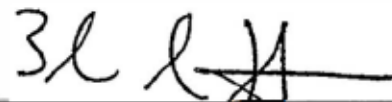

Appellate Case No. 2024-000602

---

## ORDER

---

The Administrative Law Court (ALC) dismissed Appellant's appeal for failure to exhaust his administrative remedies. According to the ALC, Respondent denied Appellant's Step 2 Grievance as untimely. On June 7, 2024, Respondent filed a motion to remand, stating "an incorrect response was provided to Appellant on his Step 1 and Step 2 Grievances" and asking this court to "remand the matter to the ALC with instructions to remand to [Respondent] for issuance of a corrected Step 2 grievance response." Appellant did not file a return. After careful consideration, we grant Respondent's motion. We hold this appeal in abeyance and remand to the ALC. The ALC shall remand this appeal to Respondent for issuance of a corrected Step 2 grievance response. Respondent shall provide this court with status updates every thirty days.
