

The South Carolina Court of Appeals

Virgie C. Simmons Family, LLC, Appellant,

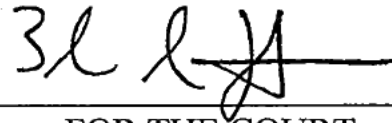

v.

Limetrade, LLC and Limehouse Produce, LLC,
Respondents.

Appellate Case No. 2024-000834

ORDER

On May 31, 2024, Respondents moved to dismiss this appeal as to Limehouse Produce, LLC. Appellant filed a return on June 10, 2024, opposing the motion to dismiss Limehouse Produce, LLC.¹ After careful consideration, we deny Respondents' motion to dismiss this appeal as to Limehouse Produce, LLC. This order should not be construed as officially amending the caption of the underlying case. The court is merely conforming the caption of this appeal with the caption of the circuit court's final order.
