

THE STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

The Honorable Diane Schafer Goodstein
Beaufort County
Trial Court Case No. 2021-CP-07-02165

APPELLATE CASE NO. 2024-000105

Turner's Marina, LLC,

Appellant,

v.

Daniel Hyde, Laura Hyde and

John William Caput,

Respondents.

THIRD MOTION FOR EXTENSION

Pursuant to Rule 240, SCACR, Respondents, John William Caput, requests a third thirty (30) day extension of time for filing and serving his Initial Brief and Designation of Matter to be included in the Record of Appeal (collectively "Initial Brief") in this case due to Respondent's need to reference and file confidential material. Further, during the final drafting of Respondent's Initial Brief, it came to the attention of Respondent's counsel that the Consent Confidentiality and Protection Order requested by Appellant and consented to by Respondents in Trial Court Case No. 2021-CP-07-02165 ("Confidentiality Order") was never filed and signed by the Circuit Court. This creates a conundrum for Respondent's counsel as he has agreed to a confidentiality order, but that order is not enforceable until entered by the circuit court. Pursuant to the terms of the

Confidentiality Order and the Appellate Court Rules, the confidential material referenced by Respondent in his brief requires that Respondent file a Motion to Seal. Thus, Respondent respectfully requests additional time to file his brief so that he can unravel this issue with the confidential documents. The current deadline is July 5, 2024. The requested deadline would be August 5, 2024.

Respectfully submitted,
