

The South Carolina Court of Appeals

The State, Respondent,

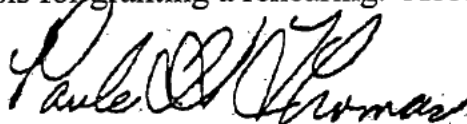

v.

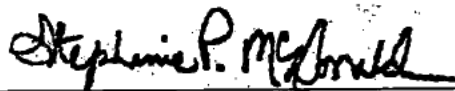

Bryan Murray, Appellant.

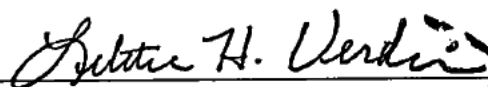

Appellate Case No. 2023-001770

ORDER

We dismissed this appeal on March 27, 2024. Thereafter, Appellant filed a motion to stay the appeal on April 8, 2024, and a motion to appoint appellate counsel on April 19, 2024. Respondent filed a return to the motion to stay on April 19, 2024. We construe Appellant's motions to stay and appoint appellate counsel as a petition for rehearing. After careful consideration of the filings, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
