

# The South Carolina Court of Appeals

Freedom Mortgage Corporation, Respondent,

v.

Sherman Smith, Appellant.

Appellate Case No. 2023-001826

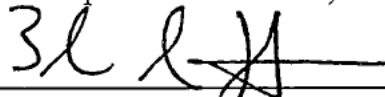

---

## ORDER

---

On June 6, 2024, Appellant filed a motion for relief from this court's May 29, 2024 order. Respondent filed a return on June 6, 2024. In a letter dated June 14, 2024, this court construed Appellant's motion for relief from the May 29 order as a petition for rehearing and explained this court would take no action on the motion. *See* Rule 221(c), SCACR ("The appellate court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal."). On June 14, 2024, Appellant filed a motion to strike Respondent's return to the motion for relief. After careful consideration, we conclude Appellant's motion to strike filed June 14, 2024 is moot in light of this court's decision to take no action on Appellant's motion for relief.

Appellant also filed a "notice of coram nobis motion." After careful consideration, we deny Appellant's motion. *See* Rule 60, SCRCR ("Writs of coram nobis . . . are abolished, and the procedure for obtaining any relief from a judgment shall be by motion as prescribed in these rules or by an independent action.").
