**Re: William P. Scurry And J & W Corporation Of Greenwood V. SCDHEC And  
Simmons Family Holdings, LLC; Appellate Case No. 2023-001592**

Dear Ms. Kitchings:

Please allow this correspondence to serve as a motion on behalf the Appellants requesting a thirty (30) day extension on the time to serve and file the Record On Appeal. I was on vacation in late June and early July and cannot complete the Record On Appeal by July 12, 2024, when it is now due. This is the first extension request for the ROA, and I do not anticipate further extensions will be necessary barring unforeseen circumstances. Respondents' counsel has been consulted and has consented to this request.

Enclosed with our mailed copy is a check in the amount of \$50.00 representing the filing fee for our motion for extension. Please let me know if you require any additional information.

Cordially yours,
