

**In The South Carolina Court of Appeals On Appeal From the Dorchester County
Court of General Sessions Appellate Case No: 2022-000412**

The State

Respondent,

v.

Anthony Morris,

Appellant.

RECEIVED

Jul 12 2024

SC Court of Appeals

**AMENDED MOTION FOR EXTENSION OF TIME TO FILE AND SERVE
APPELLANT'S RECORD OF APPEAL**

1. Appellant filed an Initial Brief in this matter on July 10, 2023.
2. The Respondent filed three extensions to respond to the Appellant's Initial Brief, which were on: (1) August 11, 2023, (2) September 11, 2023, and (3) October 12, 2023, respectively. Each of the Respondent's requests was granted by this Court.
3. On November 8, 2023, the Respondent filed a Motion to Strike and Require Filing of an Amended Initial Brief by the Appellant.
4. The Amended Initial Brief was filed by the Appellant on April 12, 2024.
5. The Respondent filed an extension to respond to the Appellant's Amended Initial Brief on May 13, 2024. The Respondent's request was granted.
6. The Appellant's Record on Appeal is due to be served and filed today. However, due to a heavy workload, I am requesting a thirty-day extension to serve and file these documents. This is the first extension request following the Respondent's Initial Brief and Designation of Matter in this case.
7. This motion is not being made for purposes of delay; rather, the Appellant's counsel has a heavy workload and needs additional time to adequately prepare the documents.
8. Accordingly, Appellant requests an extension of time until Monday, August 12, 2024, to file and serve the documents. Further, the Appellant asks that all timelines are held in abeyance until a decision has been made by this Court on this Motion.

Respectfully submitted,
