RE: The Boathouse at Breach Inlet, LLC, et al. v. Richard S. W. Stoney, et al.
Appellate Case No: 2020-001203
Our File No: 2015-1098
Second Request for Extension

Dear Madam Clerk:

I last wrote the Court by letter dated June 25, 2024 requesting an extension of time in which to file our Reply to the Respondent's Return to our Petition for Certiorari in the above case. The Court very kindly granted my request.

This letter is to request an additional extension of time, for another ten days, within which to complete and file our Return.

My previous letter is attached for information. Upon my return from vacation on Sunday July 7th, my wife had cataract surgery performed the following day, Monday July 8th, which required my attendance, and as well for a follow up visit with the doctor on Tuesday July 9th. Of course, that was only last week, and consumed two days, for all intents and purposes

As I write this letter to the Court on Tuesday July 16th, my wife had cataract surgery performed on her second eye yesterday, July 15th, for which I was absent from the office; which also requires a follow up visit today, July 16th.

Under the Court's first extension, our Reply is due this Thursday July 18th. As a result of the above circumstances I am left with little "thinking time" to complete an intelligible Reply

Clerk, South Carolina Supreme Court

Therefore, in the circumstances I respectfully request another 10-day extension from July 18th.

Once again, I thank the court for its favorable consideration. A \$50.00 filing fee is enclosed.

With kind regards,

Sincerely yours,

Appellate Case No: 2020-001203
Our File No: 2015-1098
Request for Extension

Dear Madam Clerk:

Along with Jesse Sanchez, Esq. I represent the Petitioner Richard S.W. Stoney in the above matter. We filed our Petition for a Writ of Certiorari with the Supreme Court on May 29, 2024.

In anticipation of receipt of a Return from the Respondent party on or about June 28th, this coming Friday, this letter is to respectfully request an extension of time of ten days to file the Petitioner's Reply.

We are aware of this Court's Standing Order dated July 16, 2014, suggesting that extensions in the circumstances should be rare. However, with a ten-day window within which to reply, the timing of the date for Reply in this case presents me with personal conflicts.

For the past forty-plus years, my family and I have traditionally taken vacation on Pawleys Island beginning on the Friday before the 4th of July, and for at least one week thereafter, during which we celebrate the birthdays of my wife, our oldest son, and our oldest grandson; as well as the 4th of July.

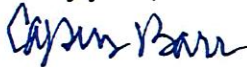

In the circumstances, I request that the Court accommodate a ten-day extension of time for filing our Reply to Respondent's Return, in order for my family and me to enjoy this traditional time together. Please advise me if a more formal request is required.

Clerk, South Carolina Supreme Court
