Re: State v. Brian E. Lorick, Jr., Appellate Case No. 2013-000491

Dear Ms. Kitchings:

The brief of appellant and designation of matter to be included in the record on appeal are due to be served and filed with this Court on August 30, 2013.¹ There have been no extensions requested in this case on appeal. However, while perusing the case file recently, I discovered that a pretrial continuance motion hearing was held in this case. All correspondence received from trial counsel in this case, including the notice of appeal paperwork, referred to the trial date of March 1, 2013, as the only date that a proceeding was held in the case. Nonetheless, we have ordered the missing transcript today and would request that the time limits be held in abeyance pending receipt of the same. A copy of our transcript request is attached.

I am available should any questions arise in connection with this matter or if any need additional information is needed.

Sincerely,

Wanda H. Carter

Deputy Chief Appellate Defender
