Good morning!

I received a letter yesterday regarding deficiencies with my appeal.

- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.  
As of July 25, 2024 - I have yet to receive the written notice of entry of judgment. See attached from the Clerk of Court of Common Pleas. As of July 18, 2024 - when the letter was written, the judge had not signed off on the order.  
a. In order for me to comply with Appellate Court rules, I had 30 days to appeal from the date the order was submitted. I cannot produce the written order as it has not been signed nor delivered.
- The required filing fee has not been submitted.  
**How do I pay this fee?**
- Need a proof of service. [Submitted, see attached.]
- You must provide proof of filing a copy with your notice of appeal with the clear of the lower court. [See attached.]

Please assist me in how to move forward, as the issues I'm currently experiencing are of no fault of my own.

Thank you.
