RE: Pet Helpers, inc., Respondent vs. Janet L. Frisco, Appellant vs. Melissa Susko, Third-Party Defendant, Case #2022-000775

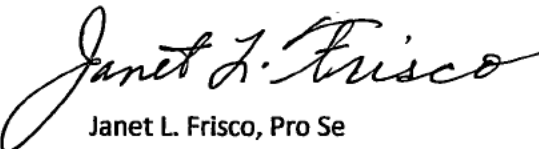

Dear Ms. Kitchings,

It is the purpose of this letter to request an extension of time to complete appellant's final briefs in the above-mentioned case. On July 8, 2024 the appeals court ordered that I complete my supplemental record of appeal in twenty days and then submit final briefs twenty days after that submission. I am planning on submitting the electronic copy of the supplemental record on appeal to the court by the deadline of July 26th and the bound copies of the record on appeal and supplemental record on appeal on that same day.

The reason I am requesting an extension of time to complete the final briefs is that I am presently working six days and a minimum of thirty-six hours per week to meet my financial obligations in addition to the time spent with other duties. The final briefs require attention to a multitude of rules and specifications and will require a great deal of time and energy to finish correctly. My case owner in the administrative office mailed the order of July 8, 2024 regular mail so I did not receive it until the evening of the tenth even though I had asked her to email orders, but she said I would have to write a letter requesting that which I didn't get around to doing.

Thank you for considering my request.

Respectfully,

Janet L. Frisco, Pro Se
