Re; Complainant Request to Correct
Court Filing pursuant to Clerks
Duty. and Proof of Service

Dear Honorable / Sir or Ma'am;

I am Ben Stewart, currently I filed a Rule 55(e) against
the State, including in that filing same-envelope I filed a Motion
To Relieve Counsel, and a motion to Proceed in Forma
Pauperis. The York County Clerk of Court Angie Bryant has
incorrectly made a ruling outside of her duty and incorrectly
dismissed my pleadings, what appears to be obstruction, please

review my complaint, what can be mistaken, however my procedure posture regarding filing pleadings are correct and sound and I request that you assist my complaint in this matter. Please review my Exhibits as to pg (1) of this letter to conclude your order because Ms. Bryant incorrectly stated that Ola A. Johnson is representing me and he is not, infact I filed a motion to Relieve Mr. Johnson that was included clocked stamped and filed this appears to be out side her scope of duty regardless.

I respectfully request that you assist my complaint
Thank you for your time as to this matter.
