RE: In re Bernard Bagley.

Dear Ms. Kitchings:

Please provide me the status of each current cases I have pending before the Court. Reason why, the institution is short of a staff mailroom official, and as a result, I don't know whether or not any legal mail has been returned to your office, or being delayed to be issued.

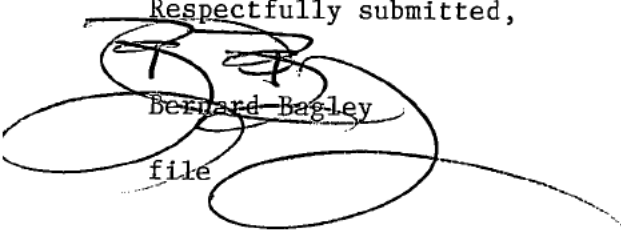

- . Appellate Case No. 24-000666;
- . Appellate Case No. 24-000110; and
- . Appellate Case No. 24-000719; along with

~~the Reese Motion~~ regarding the trial court failure to properly make a determination or give a reason why I had leg irons and belly chain restraints on during my trial on April 10-12, 1991, in which I believe not having the shackles removed when I went to the witness stand to testify and from the same qualifies as an unforeseeable event that proximately caused the verdict(s).

My record will reasonably raises the theory of entitlement for release or any other relief the court finds proper and just.

Thank you for your consideration and time. I look forward to hearing from your office at your earliest convenience.

Respectfully submitted,

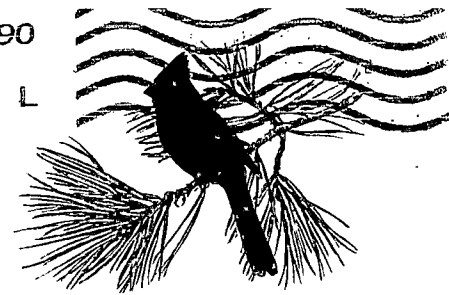

Bernard Bagley
