RE: State of South Carolina v. John Alexander Webb  
Case No: 2023-001578

The Final Brief of Appellant is due today in the above referenced case. Myself, my law partner, and my associate attended the NACDL Conference in Seattle, Washington last week. I would like to ask for a one week extension to serve and file the Final Brief.

This extension request is not intended for the purpose of delay, but rather my heavy workload due to being out of the office last week.
