**Catherine Harrison, deputy:**

I received documents confirming the receipt of my Notice of Appeal Re; Gregory Collins, 347252 v. SCDC Appellate Case No. 2024-001192. In this document it stated there were two (2) deficiencies noted under SCACR rules. That must be corrected within ten (10) days.

1. **The \$250.00 filing fee.** - The Appellant in this case is an SCDC Inmate who is indigent so I need the necessary paperwork in order to waive this fee.

2. **Proof of Service has not been provide in the format shown by Form 7 in Appendix C to part II of the SCACR.** - The Appellant in this case is unfamiliar with this so I would ask for some assistance in this matter. Also there was proof of service sent to three (3) places at the same time in this case. The South Carolina Court of Appeals, the Administrative Law Court and General Council. All were provided with the same documents. Also the Appellant is not aware of who the Council for the Respondent is. So please clarify this.

Any help in this matter is greatly appreciated.

Thank you for your time on this matter.
