

The South Carolina Court of Appeals

Mary A. Griffith, Appellant,

v.

Anthony M. Chayban, Respondent.

Appellate Case No. 2023-001649

ORDER

This appeal was dismissed on May 7, 2024, after Appellant failed to file her initial brief, her amended designation of matter, and the filing fee for her third extension of time to file her initial brief. Appellant has now filed another motion for extension to file her brief, for reinstatement, and to vacate the order of dismissal. We construe Appellant's motion as a petition for rehearing. After careful consideration of the petition, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
