Due to disciplinary dated on July 12 , 2024 As a Pro Se defendant in this case it my obligation to protect all of my rights according to the constitution and ensure that all of my rights and Procedures are upheld during the Process of South Carolina Rules of Criminal Procedure to ensure that i have a fair and impartial hearing with a Competent and Impartial Judge that upholds the constitution and ensure structure of justice in the courtroom due his diligence and make competent logical lawful judgements and orders and correct himself when he makes mistakes and due his diligence to correct his mistakes and address all unfair or bias to ensure impartiality to everyone presiding under the jurisdiction of the constitution according to the oath he took Judges Oath and according to the Judicial code of conduct

As of 7 / 29 / 24 i have notified both Judge Perry Gravely and Marcus Smith of their conflict of interest and have gave them the disciplinary documents of an investigation being opened up June 12 , 2024 and im sure disciplinary has sent them the complaint in regards to the situation they have both failed to uphold their judicial oaths and the judicial code of conduct as of 7 / 29 / 2024 they have both lost jurisdiction over the case as conflict of interest , bias , perjury , tampering with evidence , aiding and abetting kidnapping accessory after the fact , incompetence and failed to recusal themselves and / or dismiss the case as the law requires and i will not be in anymore hearings with neither parties moving forward due to both have violated their oaths indefinitely and failed to correct themselves with the correct remedy which was to dismiss due to my right to due process being violated on 8/10/22 instead they both acted as criminals and Aided and Abetted to a kidnapping and obstructed justice which is against the constitution and **If a judge does not fully comply with the Constitution, then his orders are void, In re Sawyer, 124 U.S. 200 (1888), he/she is without jurisdiction, and he/she has engaged in an act or acts of treason.**

As of 7/30/24 that hearing wasn't on the trial roster and this judge and solicitor has a racial bias against me and using the court system as RICO committing perjury they are NOT in compliance with South Carolina Rules of Criminal procedure the constitution or their oaths taken they have both committed perjury and set up a trial that was not on the roster in my absence and this case has no merit for trial they have held and indictment in my absence and presented false evidence to a Grand Jury and i didnt get to do a preliminary because i was kidnapped 12 days never got released from custody 8/10/22-8/22/22 the police retaliated and i had explanation attached to the evidence this is **If a judge does not fully comply with the Constitution, then his orders are void, In re Sawyer, 124 U.S. 200 (1888), he/she is without jurisdiction, and he/she has engaged in an act or acts of treason**
