Dear Stormy Folin:
Case Manager for Case 2022-001555
Kenneth S. Pinckney v. Jerry Pinckney

To the Appellate Court, and Case Manager Mr. Stormy Folin.

Enclosed in this letter are two letters that clearly show that I had prepared myself to have the Brief in questioned by Defendant Respondent Jerry Pinckney and his Attorney ~~Dr. Chris Lanning~~.

While waiting on the decision of the court, I went out and asked two persons if they would type a Brief for me. They both said yes.

I did not get notices of 1. 4/15/2024 - Non-Dispositional Decision - ~~Notice~~ to Dismiss, 2. 06/11/2024 Dispositional Decision - Order and 3. 06/28/2024 Remittitur Sent. None of them come through my mail, even to this very day.

The Two persons whom are Mrs. Celestine H. McDadden (Notary Public) and Mrs. Carolyn L. Smith. These are outstanding women in their

Communities who are competent, reliable, and credible, not to mention truthful.

Please note on 24 Oct 24. Defendant and Plaintiff did Debase my Name by label and slander. His words impeach my reputation and injured Plaintiff/Defendant in open court with people present to include Magistrate Judge and Bailiff and Police officer in Plain clothes? His words that were reckless and demeaning impeached Plaintiff/Defendant's Honesty, integrity, Virtue and reputation and imposed me to public hatred, contempt, ridicule and caused me to be shunned avoided and looked upon unfavorably.

This was done in Magistrate Court in notes to Justice Property. HE DID CALL ME A LYER in Open Court

I was in shock when I heard these cold chilling words spread forth from his mouth in open court. If you listen to the Audio of the Hearing, you will hear his Character assassination of me in court, constantly attacking my character.

These two letters shows that I was truthful in that I was preparing to have a brief typed for the Appellate Court upon its granting, is order in my favor.

On Justice Name

Sincerely

Kenneth S. Pinckney
