Dear S.C. Court of Appeals, SC-Court of Appeals

My name is Jackie Ray Childers, PCR Case Number #2022CP4602666. I was represented by Attorney Shawana Burris on 2/29/2024 and appeared in front of Judge Mark Hayes II in York County S.C. Ms. Burris did not present all the evidence that I asked her to in my case. Also Ms. Burris did not file any motions that I requested to be filed. My request for a new trial was denied on 3/29/2024. Ms. Burris did not notify me of this until 4/24/2024. I have requested the Judges order on why my request for new trial was denied from Ms. Burris since April 2024 which she has refused along with my Case File, Transcripts, and Legal Documents that I sent to her office. She has refused to send me anything which is illegal. I've reached out to the Clerk of Court and S.C. Bar about this issue and still do not have my documents. I ~~was~~ notified the Clerk of Court that I want to file Ineffective Counsel, Counsel Misconduct and Legal Malpractice.
