RE: Church of the Living God vs. Jennifer Williams; 2019-CP-23-06077

Ms. Williams,

I have received your request for a transcript for the case referenced above. The hearing on June 11, 2024 will be approximately 185 pages. That is a guesstimate. At the going rate for transcripts at \$4.25 per page, the approximate total for the whole transcript will be \$786.25. If the transcript ends up less pages, you will be refunded; however, if I underestimated the number of pages, and you owe more than quoted here, you will need to pay what is due and owing before receiving the transcript.

I accept certified checks, Venmo (@juliecendroski) PayPal, or cash. Under our rules, I have 60 days in which to complete the transcript. Please let me know if you have any questions.
