To whom it can concern,

I have attached this letter in order to include a question about the case and the filing fee. I am under the impression that my case would be criminal in nature as it is a traffic case brought against me by the State. However, the county clerk filed it as a civil case I think and charged me a fee, I believe this was a mistake, but I am seeking confirmation. If it is a criminal case, then I believe that would mean there would be no filing fee and so I have not included one. If I am mistaken in this, please let me know how much it is. And provide an explanation as to why.

Thank you for your time.

Nathanael Whitwood.
