Judge Singleton,

Judge McIntosh just issued an Order denying Ms. Pierce's appeal, finding that there is a binding settlement agreement between the parties. We ask that you set a hearing as soon as possible to appoint a Personal Representative. Ms. Moore's Petition to be appointed Personal Representative was served upon Ms. Pierce on February 8, 2023, according to the record. We also request that you authorize the heirs to be allowed to immediately remove the personal items to which they are entitled pursuant to the Settlement Agreement.

Respectfully,

Richard Hunt McDuff, Esq.
