Judge McIntosh,

Mr. McDuff stated in a separate email to the probate court that he has already submitted a final order for your review without copying me to the email or providing a copy of the draft order.

I don't trust any order drafted by Mr. McDuff and I'm sure everything stated therein doesn't reflect the records. I need to review his draft and make sure there are no misrepresentations.

I have filed an appeal already as of yesterday after receiving form 4 order.

Whatever is happening is unfortunate.

Best regards,

Dorothy Pierce
