Hey Ms. Ethel,

I called yesterday, but you might be out of the office, so I just wanted to send this via email too. It's been brought to my attention that Melody is listed as counsel of record for the above-mentioned case and was copied on the most recent order granting our second extension.

This one is actually being handle by Megan Harrigan Jameson as a favor to us (she is officially a Special Assistant Attorney General with the office), and she was counsel on the rep letter filed 8/12/2024.

If you don't mind updating C-track to reflect Megan's name and forwarding everything in the future to her that would be so great!

Thank you so much!
