Aug 10 2024 Appellant Case No 2022-000261

Motion to oppose Respondents  
Motion to dismiss for insufficient  
Service of Process.

On July 31 I recieved a certified letter  
from Respondent Cynthia Barnett asking  
the courts to dismiss the order dated July 12 2022  
because she said she had not recieved my  
copy of the Motion for a Contenance, along  
with the proof of Service.

Argument ①

We have been going to court since 2012  
on this issue about my mother Dorothy  
Hatchers Will. AT no time have I or the  
Lawyers I had, failed to send the Respondent  
Attorney or the Respondent, a copy of all material  
page ①

That I sent to the Courts along with proof of service. When Respondent Cynthia Barnett had Attorney Gena Ervin for the past 12 years at no time did her Attorney Gena Ervin not receive a copy of everything I sent to the Courts along with proof of service. I believe this is an attempt by Respondent Cynthia Barnett to have the case thrown out because she didn't know that she was suppose to send a reply brief on the Motion of Contumace I filed on June 21, 2024

---

South Carolina Service of Process Statute Rule (4) - Service is perfected five days after the deposit in the United States Mail, so evidence by the postmark, or other evidence of the date the summons and complaint was mailed postpaid and correctly addressed to the address of the principal office which is listed

## Argument 2

The Respondent Cynthia Barnett commented on my health conditions, basically say I'm alright and able to attend to my daily ~~and~~ activities with no problems.

The Respondent lives in Phila Pa, and I live here in Darlington SC. How does she have any idea what my health condition is? I have not seen her or talk to her in over 12 years, and that was at my Mother's funeral. And before that I have not seen her or spoke to her for over 30 years. My health condition is I have a lung infection, which most likely came from the years of smoking cigarettes, and on top of that somehow I contracted ~~the~~ covid virus again for a second time. I'm asking the courts to throw out this motion to dismiss for I did everything properly that I was suppose to do.
