Re: The State v. Randy E. Self, Case No. 2023-001  
407  
The South Carolina Court of Appeals,

This is an addition to the appeal and Anders v. California, 386 U.S. 738, 87 S. Ct. 1396 (1967), and a follow up to my pro se brief dated August 10, 2024 in conjunction to Robert M. Dudek, Chief Appellant Defender of SC. brief. First, I want to appeal that judge Walton McLead denied me a direct Verdict of Not Guilty based on the fact that the State failed to prove all of the elements in my indictment. Page 116, 17-23.

Secondly, my lawyer, Mr. Stephen Story was ineffective because on August 23, 2023 he made a motion that the charge of Murder be replaced with Voluntary Manslaughter and after discussion in court, Judge McLead was leaning

toward granting Voluntary Manslaughter and Self-intoxication, pages 117, 118, 119, and 120. However, the next morning on August 24, 2023 Mr. Story tells me that the State has not proved the elements in the indictment to murder and that he is withdrawing the motion that he had made for Voluntary Manslaughter and self-intoxication the day before. Page 121, (8-18). This action was ineffective counseling and totally without my consent!

As in my pro se brief dated, August 10, 2024 I ask that this court review my entire trial transcript for errors in my trial and to give me fair and full consideration!

Thank-you for your full attention.

Respectfully,  
Randy E. Self
