

Brenda Shealy,

8-11-2024

Im writing in reference to case # 2020-001229. I was written by your office and instructed to send a response to a Johnson Petition that was filed by my counsel, Breen Stevens, esq. I sent the petition on July 22, 2024 and I addressed it to Patricia Howard, not you. I also failed to put the case # the petition was relative to. I know I only had 45 days to respond and I have some critical issues that I need the court to consider that was not addressed by my appellate counsel in his written brief, so I'm really concerned as to whether this court has received that written petition I sent in. Particularly because it was 3 weeks ago and I thought this court would have sent me some kind of correspondence informing me that my petition was received. So, if you haven't personally received my petition, Ms. Patricia Howard should have received it. Ultimately I just want to be notified as to whether or not my petition was received by this court. I have documentation to certify that that mail was sent out ~~was~~ on July 22, 2024 with signatures by the mailroom, so if this court has not received this important petition, I need to be informed immediately. I don't want to be impeded from having pertinent issues considered by this court because of an error by the mailroom here at the facility or otherwise, because my due date for the petition was on the 16th of August. Please ma'am I need you to look into this urgent ~~to~~ matter and respond back to me ASAP! Thank You.
