**Re: Margaret Eberly v. D.R. Horton, Inc.  
Appellate Case No. 2022-000469  
RPR File No.: 007534-49**

Dear Ms. Kitchings:

Respondent Hutton's Landscapes, Inc. respectfully request a 30-day extension of time in which to serve and file our Initial Respondent's Brief and Designation of Matter to be Included in the Record on Appeal. The Brief and Designations are currently due on Thursday, August 22, 2024. With a 30-day extension of time, they would be due on Monday, September 23, 2024.

We find it necessary to request this extension due to the undersigned's current workload, including the preparation of petitions and returns in the Supreme Court, a petition for rehearing in this court in an appeal which the undersigned only recently became involved, and post-trial briefing in the circuit court. This is our first request for an extension of time to serve and file the Initial Respondent's Brief and Designation of Matter.

All counsel of record is copied on this correspondence. In addition, we will be separately delivering the \$50.00 filing fee for this request.

If you have any questions or need anything further, please let me know.

Sincerely,

/s Carmen V. Ganjehsani
