ORDER

This matter came before the Court on July 22, 2024, in Oconee County, South Carolina. The Court heard two motions, both filed by the Defendant: (1) Defense Motion for Reconsideration of Sentencing and (2) Defense Motion for New Trial. The Court heard arguments from counsel and reviewed the applicable law and filings. Accordingly, the Court makes the following findings:

PROCEDURAL POSTURE AND FACTUAL BACKGROUND

Following his arrest by Oconee County Law Enforcement, William David Gunn was charged with Burglary First Degree, Malicious Injury to Personal Property, Possession of Burglary Tools, and Resisting Arrest. A jury trial for this matter was held in Oconee County, South Carolina; beginning on April 14, 2024. The jury returned a guilty verdict on the above listed indictments for Burglary Second Degree pursuant to S.C. Code Ann. § 16-11-312(B) (indicted for Burglary First Degree and convicted of lesser-included offense of Burglary Second Degree), Possession of Burglary Tools, Malicious Injury to Personal Property, and Resisting Arrest. After the conclusion of the trial, and after examining the evidence put in the record, the Court gave the jury a general charge for the lesser-included offense of Burglary Second Degree, under S.C. Code Ann. § 16-11-312(B).

During sentencing, after the jury rendered its verdict and was dismissed, the Court was informed that Deputy Public Defender John Abdallah initiated conversation with members of the jury and decided to use the opportunity to inquire into their reasoning in finding the Defendant guilty on Burglary Second Degree. Defense Counsel presented Abdallah's testimony during the sentencing hearing which indicated there may have been some confusion in the Jury regarding the distinction between Burglary Second Degree Violent and Burglary Second Degree Non-Violent.¹ Post-verdict, after hearing the trial and looking at the evidence placed into the record, the Court made a specific finding that two of the elements of Burglary Second Degree – pursuant to the charge under S.C. Code Ann. § 16-11-312(B) – were met and the Defendant received a Seventeen (17) year sentence.²

The Defendant alleges that the Jury was not given a specific instruction on the two types of Burglary Second Degree to be considered for a lesser included Burglary First Degree. During the July 22, 2024 hearing, defense counsel requested either a hearing for the court to reconsider sentencing based upon *State v. Higgenbottom*, 344 S.C. 11, 542 S.E.2d 716 (2001) or, in the alternative, a new trial. The State opposed both Defense motions and contended that the issue had previously been raised, argued, and ruled upon at trial; leaving the issue preserved for appellate review.

APPLICABLE LAW

“A trial judge must charge a lesser included offense if there is any evidence from which the jury could infer the defendant committed the lesser rather than the greater offense.” *State v. White*, 361 S.C. 407, 412, 605 S.E.2d 540, 542 (2014). When “a party believes there is confusion

¹ John Abdallah testified that a Juror on Gunn's case stated, while leaving the courthouse, that “the verdict was for Burglary Second Non-Violent.”

² The other sentences imposed by the Court, with the exception of a two (2) year consecutive sentence for Possession of Burglary Tools, were to run concurrent with the fifteen (15) year Burglary Second Degree sentence.

in the wording of a jury's verdict, that party should call it to the attention of the trial court **at the time the verdict is rendered so that any confusion in the verdict's language can be easily cleared up.**" *Wertz v. State*, 349 S.C. 291, 297, 562 S.E.2d 654, 658 (2001) (emphasis added); *Howard v. Kirton*, 144 S.C. 89, 101, 142 S.E. 39, 43 (1928) (it is "the duty of the trial judge to decide what the verdict meant, and, in reaching his conclusion thereabout, it [is] his **duty to take into consideration** not only the language of the verdict, **but all the matters that occurred in the course of the trial.**") (emphasis added).

"[T]he trial court is required to charge only the current and correct law of South Carolina." *State v. Marin*, 415 S.C. 475, 482, 783 S.E.2d 808, 812 (2016) (quoting *State v. Brandt*, 393 S.C. 526, 549, 713 S.E.2d 591, 603 (2011)). "The law to be charged must be determined from the evidence presented at trial." *Id.* (quoting *Brandt*, 393 S.C. at 549, 713 S.E.2d at 603). "A trial [court] is required to charge a jury on a lesser included offense if there is evidence from which it could be inferred that a defendant committed the lesser offense rather than the greater.'" *State v. Gilliland*, 402 S.C. 389, 400, 741 S.E.2d 521, 527 (Ct.App.2012) (alterations in original) (quoting *State v. Drafts*, 288 S.C. 30, 32, 340 S.E.2d 784, 785 (1986)). "The test for determining whether one offense is a lesser included offense of another 'is whether the greater of the two offenses includes all the elements of the lesser offense. If the lesser offense includes an element not included in the greater offense, then the lesser offense is not included in the greater.'" *Id.* (quoting *Hope v. State*, 328 S.C. 78, 81, 492 S.E.2d 76, 78 (1997)); see *State v. Elliott*, 346 S.C. 603, 606, 552 S.E.2d 727, 728 (2001), *overruled on other grounds by State v. Gentry*, 363 S.C. 93, 610 S.E.2d 494 (2005).

The Court read two charges to the jury; first-degree burglary pursuant to South Carolina Code Section 16-11-311 and second-degree burglary pursuant to South Carolina Code Section 16-

11-312(B). The Court's second-degree burglary charge was taken directly from S.C. Code Ann. Section 16-11-312(B), the exact language chosen by our legislator's when enacting the crime into law, which provides:

(B) A person is guilty of burglary in the second degree if the person enters a building without consent and with the intent to commit a crime therein, and either:

(1) When, in effecting entry or while in the building or in immediate flight therefrom, he or another participant in the crime:

- (a) Is armed with a deadly weapon or explosive; or
- (b) Causes physical injury to any person who is not a participant in the crime; or
- (c) Uses or threatens the use of a dangerous instrument; or
- (d) Displays what is or appears to be a knife, pistol, revolver, rifle, shotgun, machine gun, or other firearm; or

(2) The burglary is committed by a person with a prior record of two or more convictions for burglary or housebreaking or a combination of both; or

(3) The entering or remaining occurs in the nighttime.

S.C. Code Ann. § 16-11-312(B) (emphasis added). The only language in the statute this Court could interpret to distinguish second-degree burglary "violent" and second-degree burglary "non-violent," is the statute's reference to a "dwelling" under S.C. Code Ann. § 16-11-312(A) and a "building" under S.C. Code Ann. § 16-11-312(B). However, the Court never read the "non-violent" charge for second-degree burglary.³

DISCUSSION

The main issue argued throughout the trial, and supported by the facts and record in this case was whether the trailer in question was a dwelling or a building. If the jury found the trailer was a "dwelling", the facts and evidence in the record would support a verdict under first-degree burglary. If the jury found that the evidence supported the trailer being a "building", the facts and

³ See S.C. Code Ann. § 16-11-312(A) ("(A) A person is guilty of burglary in the second degree if the person enters a dwelling without consent and with intent to commit a crime therein.") (emphasis added).

evidence in the record would support a finding for second-degree burglary, pursuant to S.C. Code Ann. § 16-11-312(B).

The relevant charge for burglary second-degree choice on the verdict form that was read to the jury, alleged in defense counsel's motion as one of the reasons "the verdict is further confused and the intent of the jury even less clear" (def. mot. for reconsid. of sent. and for new trial, pg. 2), was second-degree burglary in violation of South Carolina Code Section 16-11-312(B). The Defendant was charged with first-degree burglary and the Court included second-degree burglary as a lesser-included offense for burglary first-degree. The verdict form included an option for burglary first-degree and burglary second-degree. The second-degree burglary instruction was read directly from S.C. Code Ann. § 16-11-312(B). Defense counsel argues that the jury should have been made aware of the distinction between burglary second-degree "violent" and burglary second-degree "non-violent" and thus the Court erred.⁴

The Defendant stipulated that the burglary occurred **at nighttime**. This arose during pre-trial motions; specifically, Defense counsel's motion in limine to exclude two prior burglary convictions. The Court ruled that these two prior burglary convictions could be admitted because they proved an element of the charged first-degree burglary offense.⁵ During the motion in limine hearing, Defense counsel argued that the body worn camera footage and surveillance footage from

⁴ The Court, after thoroughly reviewing the relevant statutes for burglary offenses as written by our legislators, has found no use of the terms "violent" and "non-violent" under S.C. Code Ann. § 16-11-312(B). The Court makes this decision under the assumption that Defense counsel is referencing the inclusion of 16-11-312(B) in the definition section for "violent crimes" found in S.C. Code Ann. § 16-1-60. At no point was the jury instructed by the Court on the difference between second-degree burglary "violent" or "non-violent" because it was not requested by Defense counsel. Further, the Defense's theory of the case – which was successful as illustrated by the jury rendering a verdict of guilt under the lesser-included charge – rested on evidence contradicting the State's theory that the trailer/structure that the Defendant entered was unoccupied at the time and thus a "building" under S.C. Code Ann. § 16-11-312(B), opposed to a "dwelling" under S.C. Code Ann. § 16-11-311 and – 312(A).

⁵ Additionally, the offense of burglary second-degree under S.C. Code Ann. § 16-11-312(B) which defense counsel refers to as "violent," includes identical factors as burglary first-degree but the major distinction placed in this law by the legislators is the classification of the burglarized structure as a "building" under S.C. Code Ann. § 16-11-312(B) opposed to a "dwelling" under S.C. Code Ann. § 16-11-311.

the trailer, combined with time stamps and testimony from officers on scene, would prove one of the three aggravators (the entering and remaining occurred during nighttime) necessary to meet first-degree burglary "violent," pursuant to S.C. Code Ann. § 16-11-311, and thus there would be no need to include the evidence and testimony of the Defendant's prior burglary convictions. The Court denied the motion in limine and the State presented testimony during the trial from Oconee Clerk of Court Lisa Burton. *See State v. Cheatham*, 349 S.C. 101, 561 S.E.2d 618 (Ct. App. 2002) (Explaining that the State may introduce evidence of prior burglary convictions because this is an element of second-degree burglary even though the defendant offers to stipulate the alternate element that the offense occurred in the nighttime). During the Clerk of Court's testimony, the state admitted a March 22, 2005 General Sessions Sentencing Sheet and a 2015 General Sessions Sentencing sheet; both of which were admitted into the record. These sentencing sheets showed that the Defendant had entered into two prior pleas of guilty for the crime of burglary second-degree.

There is the possibility that the jury could disregard the Defendant meeting the second aggravator for the two prior convictions which was supported by the Clerk of Court's testimony and two sentencing sheets for burglary second-degree that were admitted without defense objection. Additionally, it was possible that the jury could also disregard the third aggravator, although stipulated by the Defense, that the crime occurred during nighttime; which was supported by the introduction of officer testimony who responded to the scene and body worn camera footage entered into evidence that showed a lack of sunlight, use of flashlights by responding officers, and time stamps indicating the video was taken after 3:00 AM; along with the admission of the 911 call into evidence and testimony from the 911 operator Melisande Richmond that she answered the call reporting the alleged burglary at 2:56 AM.

However, the Court is bound by the evidence in the record when it determines what charges it will present to the jury. *See State v. Drafts*, 288 S.C. at 32, 340 S.E.2d at 785 (1986) (“A trial [court] is required to charge a jury on a lesser included offense if there is evidence from which it could be inferred that a defendant committed the lesser offense rather than the greater.”). Here, it would have been improper for the Court, even though Defense counsel never requested it do so, to charge second-degree burglary “non-violent”⁶ or third-degree burglary⁷ because the evidence in the record undisputedly showed at least one aggravator for first-degree burglary and second-degree burglary “violent” was met and overwhelming evidence supported finding another aggravator was met. The record included evidence that could support a jury finding that two of the qualifying aggravators necessary to charge second-degree burglary “violent,” pursuant to S.C. Code Ann. § 16-11-312(B). *See State v. Marin*, at 482, 783 S.E.2d at 812 (2016). Thus, the Court read directly from the applicable statutes and instructed the jury on the offenses of first-degree burglary pursuant to S.C. Code Ann. § 16-11-311 and second-degree burglary “violent” pursuant to S.C. Code Ann. § 16-11-312(B), because: (1) the Defendant stipulated that the event occurred at nighttime; and, (2) testimony from the Oconee County Clerk of Court accompanied by proffered sentencing sheets revealed Defendant pled guilty to two prior burglary offenses.

Defense counsel never requested that burglary third-degree, under S.C. Code Ann. § 16-11-313, be charged as the lesser-included offense of burglary second-degree “violent,” pursuant to S.C. Code Ann. § 16-11-312(B).⁸ Even if defense counsel requested these offenses be charged, it would have been improper because the overwhelming evidence in the record supported a finding that two of the aggravators which would elevate the crime to burglary second-degree “violent”

⁷ Pursuant to S.C. Code Ann. § 16-11-313.

from burglary third-degree were met; the crime occurred “during the nighttime” and the “defendant had two or more prior convictions for burglary.”

Counsel had ample time to raise, and preserve, this new issue regarding the “violent” and “non-violent” classifications for second-degree burglary when arguing jury charges and immediately after the verdict was rendered; but they never did so. *See Wertz v. State*, 349 S.C. 291, 297, 562 S.E.2d 654, 658 (2001) (Ruling in favor of a PCR applicant’s ineffective assistance of counsel when defense counsel failed to properly raise and preserve the issue for appeal and went on to explain that when “a party believes there is confusion in the wording of a jury’s verdict, that party should call it to the attention of the trial court **at the time the verdict is rendered so that any confusion in the verdict’s language can be easily cleared up.**”) (emphasis added). This new issue, however, was not raised by the Defendant until sentencing when they presented the testimony of Deputy Public Defender John Abdallah regarding his post-verdict conversations with the jury.

The Defendant requested the lesser-included crime of second-degree burglary be charged, arguing that the record supported a jury finding that the trailer was a “building” opposed to a “dwelling.” A common sense reading of the statute, coupled with the Defendant’s argument and a knowledge of the record from observing the trial from start to finish, would make it difficult to find that the jury returning a verdict of guilt for second-degree burglary, pursuant to the charge read under S.C. Code Ann. § 16-11-312(B), was anything other than indicative of a finding of guilt for second-degree burglary “violent.” *See Howard v. Kirton*, 144 S.C. 89, 142 S.E. 39, 44 (1928) (explaining that it is the “duty of the trial judge to decide what [a] verdict meant, and, in reaching [the court’s] conclusion thereabout, it was [the court’s] duty to take into consideration not only the language of the verdict, but **all matters that occurred in the course of the trial.**”) (emphasis

added). Moreover, the aggravator that “the offense occur at nighttime, was not disputed by the Defense and evidence supporting another aggravator, only one of which must be met, was available for the jury to consider.

The overwhelming evidence supports two aggravators for second-degree burglary “violent” are met. This evidence coupled with the failure of the Defense to request the Jury be instructed on third-degree burglary, second-degree burglary “non-violent,” or raise this new issue immediately after the rendering of the verdict merits the Court’s denial of both defense motions. The Defendant’s motion for reconsideration of sentencing and the Defendant’s motion for new trial are **DENIED**.

CONCLUSION

The Court, when applying the facts to the law, concludes:

1. The Court concludes that it has jurisdiction over the parties and subject matter of the litigation.
2. The Defense Motion for Reconsideration on Sentencing is **DENIED**.
3. The Defense Motion for New Trial is **DENIED**.

AND IT IS SO ORDERED.

Motion for Reconsideration on Sentencing

FILED OCONEE COUNTY SC
APR 25 2024
CLERK OF COURT

On April 15, 2024, a jury trial commenced for William David Gunn on Burglary First Degree, Malicious Injury to Personal Property, Possession of Burglary Tools, and Resisting Arrest in Oconee County. The Jury returned a guilty verdict on the above listed indictments for Burglary Second Degree, Possession of Burglary Tools, Malicious Injury to Personal Property, and Resisting Arrest. The Jury was not given a specific instruction on the two types of Burglary Second to be considered for a lesser included of Burglary First Degree.

At sentencing, the Defense raised the issue of which Burglary Second Degree sentence should be imposed. The Defense produced testimony from Deputy Public Defender John Abdallah that a Juror on Gunn's case stated while leaving the courthouse the verdict was for Burglary Second Non-Violent. Post verdict, the Court made a specific finding that the elements of Burglary Second Violent were met and therefore sentenced Gunn to fifteen years. This Court ran the other sentences concurrent except for Possession of Burglary Tools which was an additional two years consecutive.

The Defense files this motion for reconsideration for which definition of Burglary Second did the Jury find Gunn guilty of, and what should be his penalty. For this, the Defense requests a hearing for the court to reconsider sentencing. This hearing is requested based upon State v. Higgenbottom, 344 S.C. 11, 542 S.E.2d 718, S.C., 2001. In the alternative, the Defense requests a new trial.

In Wertz v. State, Wertz was tried for second degree burglary. Wertz v. State, 349 S.C. 291, 562 S.E.2d 654, 2002. The Jury was charged on second degree burglary, but not violent or non-violent. Id. The Court ordered a new trial. Id. The Court reasoned that since the jury verdict did not differentiate or instruct the jury that a guilty verdict would be for the highest offense charged the verdict was confused. Id. Similarly, this Defendant was tried for First Degree Burglary, and the verdict form included the lesser offense of Second Degree Burglary. The verdict form did not differentiate between violent and non-violent. The jury was not instructed that a guilty verdict would be for the highest offense charged. Instead, the Jury was given a general verdict form for the charge of Second Degree Burglary and returned a general verdict of guilty.

Counsel for defendant pointed out the ambiguity of the verdict form to the Court. The Court then made a finding of fact that the elements of Second Degree Burglary Violent were proven in the trial. The Court in Wertz, stated that "a general verdict of guilty furnishes ... no ground for a

new trial, provided the jury have been explicitly instructed that the effect of a general verdict will be to find the [defendant] guilty of the highest offense charged" Id at 297. The Court further stated that "[a] verdict of a jury should be upheld when it is possible to do so, and carry into effect

what was clearly the intention of the jury. "When a verdict is so confused, however, that it is not absolutely clear what the jury intended to do, the safest and best course for the court to pursue is to order a new trial. Judges and parties should not be required to guess as to what verdict a jury sought to render." Id at 296.

Here, the jury verdict simply says guilty of Second Degree Burglary leaving everyone to guess as to which Second Degree Burglary, violent or non-violent, the Defendant was found guilty. This Court cannot be certain that the verdict was for Second Degree Burglary Violent based on the verdict form. Given the ambiguity in the verdict, it is not clear what the jury found the defendant guilty of doing. When coupled with the statement of Deputy Abdallah the verdict is further confused and the intent of the jury even less clear. Therefore, a new trial should be ordered.

Primary Narrative By Joshua Entsminger, 04/18/23 04:51

Narrative

On April 18, 2023, I, Deputy Entsminger, responded to a reported burglary in progress as [REDACTED] Johnson Dr. in Walhalla. This address is within the jurisdiction of the Oconee County Sheriff's Office. The property owner, Toby Honea Bryson Shaw, had called dispatch and stated that they received a notification from the camera system inside the home. Toby was able to see a male subject on the camera system inside the home. He reported that the male subject had entered the home through the back door. Toby also reported that the subject noticed both cameras inside the home, and turned them upward to point at the ceiling.

Upon arrival, I observed that the frame of the back door was damaged and appeared to have been pried open. I attempted to turn the handle to check if the door was unlocked or would open, but it was locked and would not open. I checked the front door and did not see any evidence that entry was made. The front door was locked. Master Deputy Carr arrived on-scene. We shown our flash lights through the windows but did not see anyone inside. Master Deputy Carr announced loudly that we were with the Oconee County Sheriff's Office, and if anyone was inside, they needed to exit the home.

Walhalla Police Department's K9 Officer, Officer Shedd, arrived on-scene. We set up a perimeter around the home. Toby, First Sergeant Alexander, and Deputy Pitts arrived on-scene. Toby handed over the keys to the home, and gave us permission to enter the home. Officer Shedd announced loudly over his intercom that if there was anyone inside the home they are under arrest, and that his K9 would be entering the home. He announced that they would be bitten by the K9 if they did not surrender. He announced this multiple times and nobody exited the home.

Officer Shedd and his K9, MPD Carr, 1Sgt Alexander, and I stacked up on the front door to make entry. Deputy Pitts remained in the back yard watching the back door. As MPD Carr began unlocking the front door, Deputy Pitts announced that the back door had just slightly opened. I ran around back to provide Deputy Pitts with backup. Once I got to the back yard, the back door slung open and a white male subject exited the back door. While this was happening, Officer Shedd and his K9, MPD Carr, and 1Sgt Alexander made entry into the front door. The white male continued walked down the ramp on the outside of the back door. He was instructed to get on the ground. After several demands to get on the ground, he finally did. He was then detained with handcuffs.

The subject was identified via his given name/date of birth as William David Gunn. Toby had told me that there were weapons inside the residence. I checked William for weapons. His pockets were full of objects that I could not identify from the outside of his pants. I emptied his pockets and discovered various tools.

Inside his pocket was a pair of channel locks, a file, a flat head screw driver, and two picks. I read William his Miranda Rights and he stated that he understood, and was willing to talk to law enforcement. When asked what the tools were used for, William told us that he used the tools to open the back door. He stated that he and his girlfriend had gotten into an argument and she dropped him off down the road. He stated that he walked to [REDACTED] Johnson Dr. and needed water and rest, so he made entry into the home. William admitted that he intended to steal water from inside the home and to rest, but he found out after trying to steal the water that the water was no longer turned on. He told me that while we were announcing that we were outside and for him to exit the home, he was sitting in front of the back door hoping that we would just go away. Laying next to the back door was a black backpack. William stated that the backpack was his.

William was advised that he was under arrest for burglary. Inside the backpack I discovered a crow bar. William told me that he did not need to pry the door open, he only used the smaller tools to unlock the door. He stated that the back door had already been damaged. Toby stated that he had just replaced the back doors frame, and that the damage had not been there before. Toby stated that the cost fix the damage to the door would cost approximately \$400.

William admitted that it was dark when he broke into the home. Toby showed us a still image of the suspect on the video footage, which matched William's discription. The video footage showed William entering the home at approximately 0212 hours on 4/18/2023. Toby stated that he could here the suspect moving things around inside the home from the video camera. When Toby went inside, he stated that a cabinet that had a TV on top of it had been opened and the room attached to it no had items moved around and now on the floor.

William was searched incident to arrest. He was escorted to Deputy Pitts' patrol vehicle. The handcuffs were checked for proper fitting and double-locked. The backseat was cleared before and after transport. William was secured in the backseat with a seat belt and transported to the Oconee County Detention Center where he was booked in without

incident.

Warrants are being sought for burglary - 1st degree, possession of burglary tools, resisting arrest, and malicious injury to real property <\$2000.

The burglary tools were submitted into evidence. Toby stated that he will be sending me the video footage from inside the home.

Primary Narrative By Michael Shedd, 04/18/23 06:17

Agency Assist

I PTL Shedd responded to assist the Oconee Co. Sheriff's Office with a request for an apprehension canine in reference to a burglary in progress at [REDACTED] Johnson Drive off Poplar Springs Road. I arrived on scene and met with responding deputies who advised they responded to the address in reference to a male subject who had forced his way into a residence with tools and went inside and had knocked security cameras down inside the residence and was believed to be inside. The home owner responded to the address and provided us with a key to the residence along with video of the subject inside. I identified the suspect as a white male with a beard and wearing dark colors and based on the video provided it was determined to be inside the residence. The owner stated he did want to pursue charges for the subject if he was inside and requested for us to clear the residence. Once I confirmed that no one should be inside I gave loud verbal commands on my patrol car PA and with no response we challenged the residence with 3 deputies and K9 Coss with one deputy in the rear of the structure.

We unlocked the residence and when we made entry a male subject opened the back door and attempted to run out the back door. I along with K9 Coss and deputies Alexander, Carr and Entsminger entered the residence and ran to the back door where the subject tried to run back toward us and then ran back toward the back porch and he fell to the ground as we challenged him with Coss and other weapons (taser/pistols) drawn where he was taken into custody without further incident. No K9 apprehension occurred as Gunn surrendered and was placed under arrest for burglary and resisting arrest among other charges. I stood by to assist with other tasks and then cleared the scene. Nothing further see OCSO report.

2023A3710200204/Tools / Possession, making implements capable of being used in crime

You have been charged with a criminal offense and if you are found guilty, you are facing serious consequences which may include payment of a fine, loss of your driver's license, and the possibility of a jail sentence. In addition, you may face increased penalties for later convictions, the loss of your right to possess firearms and/or ammunition, and your immigration status will be affected. You have important constitutional rights, including the right to representation by an attorney, but you may lose these rights or waive them if you do not act to protect these rights.

You have the right to hire an attorney to represent you in every case. If you cannot afford an attorney, you may be eligible for a free attorney. If you want a determination made as to whether you are qualified for a free lawyer, then it is your obligation to be screened at the location identified in Paragraph 5(c) of the Bond Checklist Form that you received after your Bond Hearing. If you do not hire an attorney or go to be screened, then you may be found to have waived your right to an attorney at your trial.

You also have the right to represent yourself. However, you should be aware that self-representation can be dangerous. For example, there may be certain factual or legal defenses to your charge that you are not aware of or legal issues related to the conduct of your trial or guilty plea that an attorney would know how to preserve for an appeal. If you exercise your right to proceed without a lawyer, then you are responsible for complying with all applicable rules of court, including rules of evidence, procedural rules, and proper behavior before the Judge and/or Jury.

If convicted on the charge(s) filed against you and ordered to pay a fine, you may request a reasonable scheduled payment plan to pay the fine.

It is your obligation to keep up with your trial date and to obtain an attorney, either by hiring one or by being screened and found eligible for a court-appointed attorney prior to your trial date. If you do not appear at your trial with your attorney, you may be deemed to have waived your right to have an attorney represent you.

You are required to keep the court notified of any change of address until the completion of the case.

***** CRIMINAL HISTORY RECORD *****

***** Introduction *****

This rap sheet was produced in response to the following request:

Purpose Code C
Attention ESMITH

The information in this rap sheet is subject to the following caveats:

**THIS RESPONSE IS BEING PRODUCED FOR YOUR REQUEST SENT: 2023-04-26 (GA)
Important! Criminal history record information is obtained one of two ways: 1) by conducting an inquiry using personal identifiers such as name and date of birth (name search), or 2) by submitting fingerprint cards to the Georgia Crime Information Center (GCIC). When conducting a name search for criminal history record information, there is a possibility that the information returned belongs to a different person with the same, or similar, identifiers. In this case, a positive match of the person whose criminal history record is sought requires submission of fingerprint cards to GCIC. When conducting a fingerprint search for criminal history record information, the information returned does, in fact, belong to the individual. In this case, conducting a name search using the individual's personal identifiers would be the same information. (GA)

When the information contained in a criminal history report causes an adverse employment or licensing decision the individual, business or agency making the decision must inform the applicant of all information pertinent to the decision. The disclosure must include information that a criminal history record check was conducted, the specific contents of the record and the effect the record had upon the decision. Failure to provide all such information to the person subject to the adverse decision is a misdemeanor offense under Georgia law. Additionally, any unauthorized dissemination of this record or information herein also violates Georgia law. The plea of nolo contendere may be considered a conviction for some purposes: however, except as otherwise provided by law, it shall not be used against the defendant in any other court as a conviction or admission of guilt or for the purpose of effecting any civil disqualification of the defendant to hold public office, to vote, to serve upon any jury, or any other civil disqualification imposed upon a person convicted of any offense under the laws of this state.

(GA)

In the event that identifiers are not clearly associated to a specific

cycle, the information is most likely non-fingerprint based information received from the Department of Corrections at the time of release from incarceration. (GA)
