Re: The State v. Anthony Nicholas Argoe
Appellate Case No. 2023-000223

Dear Ms. Kitchings:

The Return to the Motion to Supplement the Record in the above-referenced case is due to be served and filed on Monday, August 26, 2024. Although the motion the supplement the Record notes my objection to the motion, I need to file a formal Return with the reasons for my adamant objection to this motion. Because of my present workload, I respectfully request a four (4) day extension of this deadline for the Return until Friday, August 30, 2024. If I am able to finish this return before Friday, I will file it before then. No prior extensions have been requested on this legal issue dispute.

On July 29, 2024, opposing counsel, the Attorney General's office, graciously consented to this extension request by way of general consent granted in writing, by Deputy Attorney General Donald J. Zelenka for all Appellate Defense extensions through August 31, 2024.

Thank you for your cooperation and assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. M. Dudek", with a large, sweeping flourish extending to the right.

Robert M. Dudek
