Date: Tuesday, August 27, 2024 12:39:55 PM

Good afternoon.

I just received a letter from Mr. Taylor stating that he has not received the transcript he requested for the above referenced matter. His request was sent to a transcriptionist on July 10, 2024 where they reached out to Mr. Taylor via email and USPS letter. The email was never responded to and the letter came back to the transcriptionist due to the envelope stating wrong address.

We received Mr. Taylor's request for a transcript but, he will not respond to the transcriptionist on whether to proceed after receiving the estimated cost.

Thank you,

Tammie M. Holmes
