

The South Carolina Court of Appeals

Andria Buckner, Appellant,

v.

Charles Lewis Patterson, Respondent.

Appellate Case No. 2023-001266

ORDER

Appellant's motion to "add exhibits" to her designation of matter is granted, and her amended designation of matter is accepted as conditionally filed, because Respondent has not yet filed a brief. Within thirty days of the date of this order, Appellant shall serve and file an amended record on appeal that includes every matter in the amended designation, as long as the matter was presented to the lower court prior to the issuance of the order on appeal. *See* Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209 and shall comply with the requirements of Rule 267. The Record shall not, however, include matter which was not presented to the lower court or tribunal.").

Appellant's request that this court issue a subpoena to the Lexington County Sheriff's Department to furnish Respondent's "confession video and voluntary statement" is denied. There is no right to discovery on appeal. As stated above, only matters designated for inclusion in the record on appeal in the parties' designations of matter and presented to the court below shall be included in the record on appeal. *See* Rule 210, SCACR.
