Appellate Case No. 2024-000660

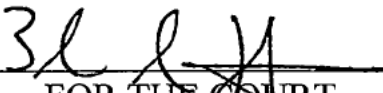

---

## ORDER

---

Robert M. Lane, now Respondent, filed a notice of appeal in this court on April 19, 2024, stating he was appealing orders dated January 19, 2024, and March 12, 2024. On April 24, 2024, we sent a letter to Respondent explaining his filing was deficient because he failed to provide the order(s) challenged on appeal, the filing fee, and a proof of service in the proper form. Respondent did not respond. On May 29, 2024, this court dismissed Respondent's appeal. On July 3, 2024, Respondent filed a motion to reinstate his appeal, insisting this court failed to give him notice of any deficiencies with his notice of appeal and of the dismissal of his appeal. According to Respondent, he learned of the dismissal of his appeal on June 24, 2024, when he called this court. Respondent provided a copy of the order he challenges on appeal, which is an order filed on March 12, 2024, and the notice

of appeal filing fee. Respondent did not provide a proof of service for his notice of appeal as directed in this court's April 24, 2024 letter; therefore, within ten days of the date of this order, Respondent shall serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the South Carolina Appellate Court Rules. Failure to comply will result in dismissal of this appeal.
