Re: State v. Edward Twyman
Appellate Case No. 2012-212366

Dear Counsel:

It appears that respondent has served his full sentence thereby rendering any issue regarding the revocation of his participation in the Community Supervision Program, which is the issue raised by the State in this matter, moot. If counsel for the State believes the issue raised in the State's petition for a writ of certiorari is not moot, counsel shall, within ten days of the date of this letter, provide an explanation to this Court supporting this position. Failure to do so may result in the dismissal of this matter.

Very truly yours,

CLERK
