Clerk;

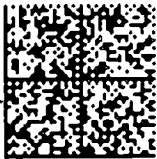

Greetings, At this time I like to apologise, but unfortunately we have not being able to have access to the Law Library do to the many issues here at the Evans Institutions, short of staff here and there and some Inmate just last week passed away, so the Institution was lock down for that. But I have being able to get out on some days. Also this is a Protective custody yard so them guys have to have access to the Law library some days out of the week, and regular population can not go to the Law library on those days, and I am considered regular population.

However, I am considerably close to finishing up my Petition if you could please extend me one more extension I will make sure to have my petition submitted by then. Again I apologise for the trouble but I really need just a little more time considering to lock down status here and short of staff
