Attached is my Final Brief of Appellant. Please be advised that a hard copy was mailed yesterday, along with the Record on Appeal, and should arrive at the courthouse Monday. As previous filings I mailed to the court were lost after delivery, and never filed (setting my case to be dismissed), please inform the mail clerks to be sure my Record on Appeal is filed on the docket. Please do not file my Final Brief on the docket twice. I just want to make sure you have it.

Thank you,

Beverly Hennager
