

# The South Carolina Court of Appeals

Gregory Collins, #347252, Appellant,

v.

South Carolina Department of Corrections, Respondent.

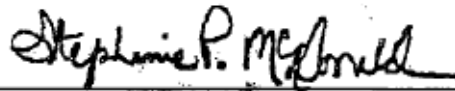

Appellate Case No. 2024-001192

---

## ORDER

---

On August 5, 2024, Appellant moved to proceed *in forma pauperis*. Respondent filed a return asking this court to deny the motion. After careful consideration, we deny the motion without prejudice to Appellant filing a second motion to proceed *in forma pauperis* showing he is entitled to do so. *See Ex Parte Martin*, 321 S.C. 533, 535, 471 S.E.2d 134, 134-35 (1995) ("In the absence of a statutory provision allowing the general waiver of filing fees, we conclude motions to proceed *in forma pauperis* may only be granted where specifically authorized by statute or required by constitutional provisions.").
