Appellate Case No. 2024-001319

LETTER REGARDING FILING FEE

To whom it may concern,

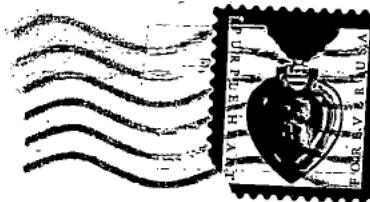

I have received the notice of the required \$250 filing fee. I have a couple of questions about it. It is my understanding that criminal cases do not have required filing fees since I cannot be expected to pay a fee in order to fight illegitimate charges against myself. I see that the county court has it filed as a common pleas civil case, however I believe they are mistaken in doing so. Please get back to me by letter or by phone and explain why this would fall under a civil case requiring a filing fee. I am not refusing to pay the fee, even though it will hurt me financially. I just need to know that it is legally correct and applicable. I look forward to hearing back. Thank you for your time.

I hope this finds you well,
Nate Whitwood.
