LETTER REGARDING TRANSCRIPT REQUEST

To whom it may concern,

I am sending this letter to inform the court that I am still working on getting the court transcripts ordered. While I have not been able to get in contact with the court reporter yet. I want to inform the court that I have been trying to do so with the resources at my disposal. Within 10 days of filing the notice to appeal, I went down to the Abbeville Courthouse in person to inquire about making the transcript request. There I was told that they couldn't help me but that they would mail me a printout of the "How do I Obtain a Transcript" page. I followed the instructions there, and sent a couple emails to transcripts@sccourts.org, but have not received any response. I have recently been given a telephone number to the court's administration office to try to call by an employee of the court clerk's office. I have yet to be able to get a hold of someone there who can help, I have been transferred to the correct person but then get sent to voicemail. I will be in contact with the court as soon as I am able to get a copy of the transcript. Attached to this letter are copies of the emails sent as proof of my efforts. Thank you for your patience and understanding.

I hope this finds you well,
Nate Whitwood.
