FOR DISMISSAL

**RECEIVED**

To: The Plaintiff and  
Rebecca T. McNerney

SC Bar No. 76594

You or your attorney should appear before this Court to present evidence or argument, if any you have, relating to the Motion herein, as follows:

**DATE AND TIME:** To be set by the Judge or Clerk of the Circuit Court, or as soon thereafter as counsel may be heard.

**PLACE:** Moss Justice Center  
1675 York Highway  
York, South Carolina 29745,  
or at such other place as the Clerk or Court may designate

Pursuant to Rules 41(a) and 41(b), S.C.R.C.P., the Defendants move this Court for an Order dismissing the above-captioned and numbered civil action, with or without prejudice.

This Motion is made on the following grounds:

1. The parties have agreed to settle this action. The Defendants confirm this settlement by their counsel below and by their intended presence in Court at the hearing.
2. Counsel for Movants has received the attached and incorporated Affidavit of the Plaintiff affirming dismissal.
3. It is counsel's understanding that the reference to "4/2" in the said Affidavit is to the date of a telephone message, confirming settlement, left with opposing counsel's office by one of the Plaintiff's daughters, who was not involved in this action.
4. Counsel for Movants has attempted, without success, since early June, 2024 to confirm this settlement with opposing counsel. Copies of the e-mail correspondence are attached hereto and incorporated herein.
5. In response to his attached e-mail of this date, he has received opposing counsel's Motions to be relieved, both herein and in the pending appeal in the Court of Appeals.
6. On knowledge and information, this Motion and the attached Affidavit are equivalent to a signed Stipulation for dismissal as allowed by Rule 41(a)(1)(B), S.C.R.C.P.
7. In the alternative, the Defendants move for a dismissal on the grounds that the actions of the Plaintiff, by her counsel, amount to a failure to comply with the Rules of Civil Procedure as set out in Rule 41(b), S.C.R.C.P.

Pursuant to Rule 11(a), S.C.R.C.P., counsel for the Movants certifies that he has attempted in good faith to resolve the matter contained in this Motion or is excused therefrom by reason of the dispositive nature of this Motion.

The basis for this Motion is the applicable law and rules of procedure, the above-cited Rule, the records of this civil action, and any Supporting Memorandum which the Defendants may submit herein.

Rebecca,

Mary Crouch called your office on 4/2 and informed your paralegal that this case was being resolved outside of court, the case is dismissed, and no future work is to be done on this case under any circumstances. As always you ignored her statement and continued to work on the case. OVER means OVER – I am not sure what part of that you do not understand but it is over! You will not take any more money from my mother. Any charges that were added to her account past 4/2 she is not responsible for, nor will she pay those charges. The charges you created after you were told to stop the case – you can charge them to yourself or to Foster.

Ms. Evans-Pryor:

I received yours of May 20th. A Motion in response will follow. I write to give the Court a quick statement.

At about the time of the Court's letter of May 20th, my client orally told me this matter, and the underlying Circuit Court case, were settled. I made attempts to confirm this. My client was in the hospital, which prevented communication. As of this date, I am still awaiting confirmation.

I believe that we will be submitting either a Motion to extend the time to file the Record on Appeal, or to dismiss the appeal. I trust that it is proper to inform the Court of this situation. I apologize for the delay.

Ms. McNerney:

I have received the Court of Appeal's dismissal of the appeal, which I will respond to.

My client gives me a detailed narrative according to which Mrs. Crouch left several messages with your office stating her intent to drop the case, including information about a document from Columbia (?) that must be signed in my office.

Your paralegal assures me that no communication with Ms. Crouch has occurred. I do not dispute this; nevertheless, this situation needs to resolve.

I renew my request for a date when you are available to set Ms. Crouch's deposition. (This of course assumes no other resolution is reached.)

Unless we agree on a date for the deposition, I must proceed with Notices and a *Subpoena* on my end.

Please contact me before the end of business hours on Friday.
